

## WHITE ROSE ESTATE

### 2010 Lia's Vineyard

#### The Vineyard

Lia's Vineyard is located in the Chehalem Mountains AVA west of Newberg. Block 7 is a two acre section of the vineyard planted in 1999 to Dijon 115 Pinot noir on volcanic soils, predominantly the Jory series. The elevation ranges from 380-560 ft. The fruit was harvested on October 22<sup>nd</sup> yielding 1.5 TPA.

#### In The Winery

Two-thirds of the bins received from Lia's Vineyard were gently sorted and destemmed as the fruit arrived at the winery. One-third of the fruit was sorted and added to the fermentation tank whole cluster. The wine was cold soaked for 8 days before being inoculated for fermentation. The fermentation took 5 days to complete, with 9 days of additional post-maceration skin contact. After a total of 22 days of skin contact, we pressed off in our old world, half-ton, wooden basket presses, a process that reduces the yield we garner from the must, but insures soft tannins and delicate aromatics. After pressing, the wine was barreled down in French oak for 15 months of aging in the cellar. While in barrel, we rack once after malolactic fermentation and then again just before blending.

#### Technical Data

Vineyards:	Lia's Vineyard – Block 7
Harvest:	October 22, 2010
Whole Cluster:	33%
Cooperage:	15 months
Bottled:	March 5 <sup>th</sup> , 2012
pH:	3.72
Alcohol:	13.1%
Production:	71 cases

#### Reviews

*This is also admirably pure, restrained, airy and cool with an alluring mix of various red and dark berries. There is a really lovely mouth feel as well as fine underlying tension to the detailed, precise and equally cool medium-bodied flavors that display a Zen-like harmony on the dusty, polished and agreeably dry finish. But what really sets this apart is the overall depth and lovely sense of harmony. A complete wine that could be enjoyed now but one that should be significantly better with 5 to 7 years of age.*
